

(for which he there received a severe Reprimand from a Person in great Authority,) whether it may not reasonably be supposed Sir *Jonathan* to be a Jacobite, who preferred such a Man to preach before such an Auditory? Likewise his Son, Sir *Gemmitt R——d*, pays double Taxes for not taking the Oaths to their Present Majesties, and keeps one *Hart* a Non-swearing Parson for his Chaplain, who quitted two Preferments rather than he would comply to take the said Oaths.

8. Sir *Jonathan R——d* lately going from the Jacobite Rendezvous at *Bath*, to *Bristol-Fair*, and being in company of Mr. *John Bub*, the late Sheriff and others, began K. *James's* Health; and whether this may recommend him to be chosen Lord-Mayor by all such as would be thought Friends to the Present Government?

9. Sir *Jonathan R——d* keeping near an hundred Pounds of Dissenters Money, due to the Crown, in his hands for above ten Years, till Captain *Henry Baker*, who with others was commission'd by the King to enquire into all Frauds of that kind, discovering of it, obliged him to pay it; whether it was kept for the use of the Orphans, or rather for maintaining Jacobite Parsons, is left to the Consideration of all good Citizens.

10. And now consider whether so weak and easy a Man as Sir *Jonathan R——d* is by his very Friends esteemed to be, [Witness Mrs. *James's* Paper on the Election for last *Michaelmas*, who is a great Stickler for Sir *Jonathan*; and did not question but God would give him Wisdom when he came into the Chair, thereby implying that he had it not before,] and who is solely under the Conduct and Government of the late Deputy *L——m*, and the rest of the Jacobite Party, be a fit Person to be chosen Lord Mayor for the Year ensuing.

Now, Gentlemen, consider the Character of the above-mentioned Person in these few things (of many) offered to your serious Consideration. And it is also evident that the present Cabals of the Jacobites are to use their utmost Endeavours to carry him for Lord-Mayor of this City; that so if any Accident or Difficulty should happen to the present Government, (which God prevent) he may be ready to assist them in restoring the late abdicated King *James*.

Gentlemen, We hope you will always esteem and have a due Regard to those Citizens who have approved themselves faithful, and shewed themselves zealous for the maintaining of the Rights and Liberties of this famous City in the worst of Times, and are of known Loyalty and Affection to their present Majesties; among the Number of which none are thought more fit to be recommended to your present Choice than Sir *William Ashurst* and Sir *John P. A. M.* Knights and Aldermen.
